

# Maths Task Wrapper

*If... we reflect on our learning... we can keep becoming better at learning*

Name: \_\_\_\_\_

Date: \_\_\_\_\_

Activity: \_\_\_\_\_

## Before

**Effort** I have put into my learning in this topic so far:

Very little                      1            2            3            4            5            6            7                      A lot

Things I <b>did</b> do to prepare	Things I <b>didn't</b> do to prepare
-----------------------------------	--------------------------------------

**Confidence** in my knowledge and skills before this task:

Very little                      1            2            3            4            5            6            7                      A lot

## During

What strategies did I use to help me do my best in this task?	What else could I do?
---	-----------------------

## After

Knowledge or skill	What did I do well? What could I focus on to improve?

## Next

Three things to focus my efforts on next: 1. 2. 3.	Three things my teaching could help me with: 1. 2. 3.
